Trawling	Permit	Permit	Permit	Permit	Permit	Permit	Permit	Permit	Permit
Travelling	Permit	Permit	Permit	Permit	Permit	Permit	Permit	Permit	Permit

THIS MAP IS INDICATIVE ONLY AND IS NOT INTENDED FOR NAVIGATIONAL PURPOSES.

NOTES:

- The purpose of this map is to help interpret the Great Barrier Reef Marine Park Zoning Plan 2003. The zone boundaries shown on this map are indicative only. While care has been taken to illustrate zone boundaries as accurately as possible, users must refer to Schedule 1 to the Great Barrier Reef Marine Park Zoning Plan 2003 for precise boundary descriptions.
- Zone identifiers indicate the zone type, latitude and number of each zone area. Zones numbered on this map:
 - G - Conservation Park Zone
 - R - Scientific Research Zone
 - MNP - Marine National Park Zone
 - P - Buffer Zone
- The Great Barrier Reef Marine Park includes the water column, the seabed beneath the seabed to a depth of 1000 metres below the seabed and the airspace to 915 metres above the surface.
- Reefs, shoals and islands within the Great Barrier Reef Marine Park are numbered west to east within one-degree bands. They are prefixed with the latitude at the top of the band in which they lie. A centre point is used to determine the appropriate one-degree band for features straddling parallels.
- Islands, or parts of islands that form part of Queensland and are not owned by the Commonwealth, are not part of the Great Barrier Reef Marine Park.
- The information displayed in held in the Great Barrier Reef Marine Park Authority Geospatial Data Library. This includes data provided by Geoscience Australia National Mapping Division (including the GEOGRAPHIC product) and the Australian Hydrographic Office. Land tenure was derived from data supplied by the Queensland Department of Natural Resources, Mines and Energy.
- While every effort has been made to show all features necessary to make this map a useful general reference, map users are invited to advise the Great Barrier Reef Marine Park Authority of any errors, omissions or other suggestions that would enhance the product. Contact details are shown overseas, or email to zoningmaps@gbrmpa.gov.au.

Great Barrier Reef Marine Park Zoning Plan 2003 MPZ13 - Swain Reefs West

SAFETY IN THE MARINE PARK
People visit the Marine Parks at their own risk. Zoning Plans allow activities to take place, but do not guarantee safety. The Park contains both natural and human hazards. Park users should consult navigation charts. Notices to Mariners, and the Great Barrier Reef Marine Park Authority for more specific information before going to sea.

WARNING This map must not be used for marine navigation. Comprehensive and updated navigation information should be obtained from published hydrographic charts.

IMPORTANT NOTES FOR MAP USERS

This map may not show all Queensland State Marine Park zoning (for example, State Marine Parks where declared between high and low water). For more information on these areas, please refer to the relevant Queensland Marine Park Zoning Plans or see Queensland Environmental Protection Agency offices. Restrictions and/or closures under Queensland legislation (eg. Fisheries Regulation 1995 (Old)) are not shown. Users should familiarise themselves with all legal requirements relevant to their particular activities before entering or using the Great Barrier Reef Marine Park.

The inshore boundary of the Great Barrier Reef Marine Park follows the coastline of Queensland at low water except to the extent such waters are within the limits of the State of Queensland within the meaning of section 14 of the Seas & Submerged Lands Act 1973, or where otherwise indicated (such as port areas). Any depiction of the inshore boundary on this map is indicative only.

LEGEND

- Reef flat or bommie / rock
- Indicative reef boundary
- Coastline
- River
- Mangroves
- Backshore
- Population centres (to scale / symbolised)
- Major road / Minor road (sealed, unsealed)
- National Park / Conservation Tenure
- Marine Park boundary
- Great Barrier Reef Marine Park Management Area boundary
- Designated Shipping Area boundary
- Fisheries Experimental Area boundary
